

VIDYAA VIKAS COLLEGE OF ENGINEERING AND TECHNOLOGY

Approved by AICTE - New Delhi, Affiliated to Anna University – Chennai

Accredited by NAAC with 'A' Grade

BEST PRACTICES – 2018-19

BEST PRACTICE NO.1:

1) Title of the Practice: **Students Participation in Symposium organized in other colleges.**

2) Goal:

- To guide and support the students to share their knowledge.
- To give exposure to students on recent trends.
- To improve presentation skills and remove stage fear.

3) The Context:

Students who are admitted in our college are motivated from first year by their mentor / class advisor and HoD to actively participate in various events organized by other institutions

4) The Practice:

In order to bring out the hidden talents from students , they are motivated to participate in events viz., paper presentation , technical quiz, circuit debugging , coding and decoding , spot the error etc.,.Brochure received from other colleges are circulated to each department and the same were displayed in the notice board for students reference. Interested students will approach his / her mentor or class advisor and register in the event they wish to participate. Those students were taken personal care, mentor will guide them to prepare for their event and rectify their mistakes. This will help students to improve their presentation skills which in turn create a good impact during their campus interview.

5) Evidence of success:

S.No	Department	Total No. of Participants	Total No. of Winners
1	CIVIL	13	2
2	CSE	10	4
3	ECE	7	2
4	EEE	10	1
5	MECH	10	2

6) Problems Encountered and Resources Required:

- Internal Assessment Examinations will stand as a hurdle to participate in some events which is scheduled during exam days.
- Some Tamil medium students feel difficult to participate due to language issues.

7) Future Plans: Have plan to organize intra department events which will be a base for students to get trained / practice.

Approved by AICTE - New Delhi, Affiliated to Anna University – Chennai

Accredited by NAAC with 'A' Grade

BEST PRACTICES – 2018-19

BEST PRACTICE NO.2:

1) Title of the Practice:

Social Awareness and helping the society through Rovers and Rangers.

2) Goal:

- To make students to involve them in helping the society through various activities of this club.
- To create awareness among people in various social issues.

3) The Context:

Bookish knowledge alone is not sufficient to make a student competent enough to survive after completing their degree as good citizen. Students must have social responsibility for the growth of country. We create a platform for the students to actively participate them in social activities viz., conducting awareness camp / rally , helping public during temple festival , cleaning of villages and temples etc.,.

4) The Practice:

Trained faculty members are assigned to guide the rovers and rangers. Interested students are trained through various camps organized in our college and other parts of our state. Students are given responsibility to control the crowd during temple functions, also they were involved in creating awareness among people for dengue, stop using plastic, etc.,.

5) Evidence of success:

- Our Students of 70 in numbers participated in Rajya Puraskar Award camp and received award from our Tamil Nadu Governor Shri. Banwarilal Purohit for the year 2018-19.
- Students participated in many awareness / temple service activities and received certificates for the same.

6) Problems Encountered and Resources Required:

The students must be regular to undergo this practice. During exam days they are not in a position to render their service

7) Future Plans:

- To involve all our students to actively participate in service / social activities.
- To motivate and guide students to achieve the Rashtrapati Award from President of India and render more services to the people.
- To motivate students to get job in railways through scout quota.
